

Remarks

Claims 1-37 are pending. By this amendment, the specification and claims 1, 3, 4, 6, 8, 10, 11, 16, 17, 20, 24, 25, 30 and 37 are being amended. No new matter is being added.

Section 1 of the Office Action of March 29, 2004 states that the request for continued examination and submission filed on March 2, 2004 "is not fully responsive to the prior Office action because it is incomplete as discussed in the Advisory Action of January 29, 2004."

According to the Advisory Action of January 29, 2004, the faxed response only had 16 pages with the proposed amendments to claims 1 and 3 not in the response. Applicants assume that this is the Amendment faxed January 6, 2004, a copy of which is attached herewith. The attached Amendment of January 6, 2004 includes 19 pages, not 16.

In any event, the amendments to the claims and specification set forth in the Amendment of January 6, 2004 are being set forth in this Amendment. Furthermore, Applicants are incorporating in this Amendment, the comments made in the Remarks Section of the Amendment of January 6, 2004 (see pages 12-19 of the Amendment of January 6, 2004).

Applicants believe that this application is in condition for allowance. Such action is earnestly solicited by the Applicants. In the event that the Examiner deems the present application non-allowable, it is requested that the Examiner telephone the Applicant's attorney or agent at the number indicated below so that the prosecution of the present case may be advanced by the clarification of any continuing rejection.

Reconsideration is respectfully requested. In view of the foregoing amendments and remarks it is believed that the application, including claims 1-37, is now in condition for allowance. Notice to that effect is respectfully requested.

Authorization is hereby given to charge any fees necessitated by actions taken herein, including any extension of time fees, to Deposit Account **503079**.
